Structure of a Mind Map

Basic Mind Mapping eLearning Infographic

Colour

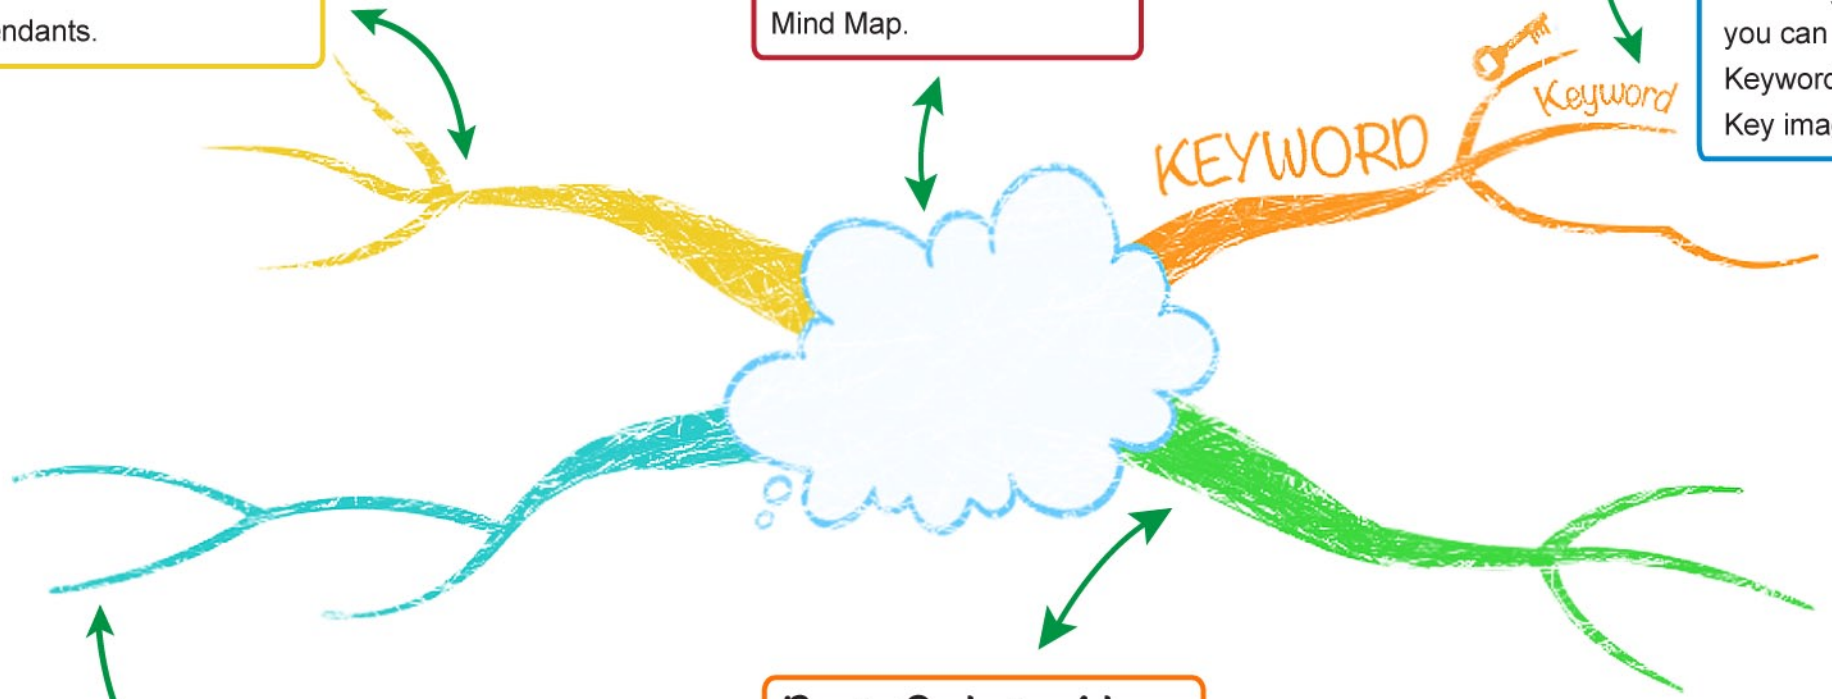
Different colours are used for each main branch and it's descendants.

Central Idea

An image in the centre that represent the topic of the Mind Map.

Key Ideas

On every branch you can place Keywords and Key images.



Sub Branches

All new sub branches radiate out from the end of its parent branch.

Basic Ordering Ideas

Also referred to as the 'main branches'. These are the first level or branches, like the headings in a book.

By following this basic structure you will be able to create powerfull Mind Maps that radiate your thoughts & ideas!
